Dear Karl

On behalf of the Chief Executive Officer, Mr Chris Paris, I would like to thank you for assisting us in the organisation of the City Gate Project Exhibition, which was held at Auberge de Provence, Valletta for the duration of three months and also for the professional work carried out on the official launch of the Exhibition on 27th June 2009.

Your professional and impeccable service resulted in one of the most successful events, which was fitting for such a grand occasion, being the launch of the most anticipated project in Valletta.

We really appreciated your hard work and hope to have the opportunity to work with you again in the near future.

Yours sincerely
